# **Dr S Poonian**

There has been a surgery in Mill Street for over 80 years.

The surgery is quiet, comfortable and confidential. It has been built with facilities for the disabled.

Emphasis is placed on illness prevention and health education, with particular interest in minor surgery.

The surgery covers a rural area within approximately 6 miles.

We have a car park and toilet facilities available to patients.

### ***Services Offered Include***

## ***Opening Hours***

### **Reception**

**Monday to Friday  
8am—6pm**

### ***Surgery Hours:***

#### **To access a GP or ANP**

**Please phone the surgery on 01889 590208  
Monday to Friday  
8am—10.30am**

Please note, your call will be triaged to the most appropriate staff member, if a face to face appointment is necessary you will be invited in for this.

### **Dispensary**

We are a dispensing practice and operate within a 2 working day notice period for repeat prescriptions

**To order your repeat prescription please download the NHS App and place your order online. If you cannot download the app, you can call us**

**Monday—Friday  
11am-12:30pm**

### **Results**

Please ensure you have provided us with your up to date mobile number, we will text any results of tests that we have performed (e.g. blood tests) to you that **require action**. You can also download the NHS App which gives you access to your medical record and will show your results on there.

### **Home Visits**

If you are unable to visit the surgery please call us before 11am and state the reason for the visit
